The Remuneration Report is set out in the Directors' Report section of the Annual Report. The Report, amongst other things:

- (a) explains the Board's policy for determining the nature and amount of remuneration of Key Management Personnel of the consolidated entity;
- (b) explains the relationship between the Board's remuneration policy and the Company's performance;
- (c) sets out remuneration details for each Key Management Personnel of the consolidated entity including details of performance related remuneration and any options or other securities granted as part of remuneration; and
- (d) details and explains any performance conditions applicable to the remuneration of Key Management Personnel of the Company.

Explanatory Memorandum

The Board believes the Company's remuneration policies and structures as outlined in the Remuneration Report are appropriate relative to the size of the Company, its business and strategic objectives and current and emerging market practices.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution. In accordance with the Corporations Act, a vote on this Resolution is advisory only and does not bind the Directors or the Company.

There are restrictions on members of the Key Management Personnel and their Closely Related Parties and their proxies voting (in any capacity) on Resolution 1, details of which are set out in the voting restriction statement included in Resolution 1 of the Notice of Meeting.

Shareholders should be aware that any undirected proxies given to the Chair will be cast by the chair and counted in favour of the Resolutions the subject of this Meeting, including Resolution 1 subject to compliance with the Corporations Act. In exceptional circumstances, the Chair may change his/her voting intention on any Resolution, in which case an ASX announcement will be made.

4. Resolution 2 - Election of Keith Muller as a Director

The Company's Constitution and ASX Listing Rule 14.4 provide that any Director appointed in addition to the existing Directors will hold office until the next following annual general meeting and is then eligible for re-election.

6. Resolution 4 - Re-election of Neil Herbert as a Director

Neil Herbert retires in accordance with Rule 40.1(c) of the Company's Constitution (which provides that at each AGM one-third of the Directors for the time being must retire excluding any Director already required to submit for election or re-election under Rule 40 and any Managing Director). Being eligible, Mr Herbert offers himself for re-election as a Director.

Mr Herbert is a Fellow of the Association of Chartered Certified Accountants with over 30 years of experience in finance. - (b) Firering Strategic Minerals plc (appointed on 12 November 2021) which is listed on the London Stock Exchange (AIM).

Explanatory Memorandum

- (c) Premier African Minerals (resigned 27 April 2022), which is listed on the London Stock Exchange (AIM).
- (d) Pulsar Helium Inc (appointed 17 November 2022) which is listed on the Toronto Stock Exchange (TSX).

The Directors (with Neil Herbert abstaining) recommend that you vote in favour of this Ordinary Resolution.

7. Resolution 5 - Re-election of Christelle van der Merwe as a Director

Christelle van der Merwe retires in accordance with Rule 40.1(c) of the Company's Constitution (which provides that at each AGM one-third of the Directors for the time being must retire excluding any Director already required to submit for election or re-election under Rule 40 and any Managing Director). Being eligible, Ms Van der Merwe offers herself for re-election as a Director.

Ms Van der Merwe is a mining geologist responsible for the mining-related geology and resources of the Assore Subsidiary Companies (comprising the pyrophyllite and chromite mines) and is also concerned with Assore's iron and manganese mines. She has been a geologist for Assore since 2013 and is involved with strategic and resource investment decisions of the company. Ms Van der Merwe is a member of SACNASP, the GSSA and AUSIMM. During the past three years Ms Van der Merwe has not served as a director of any other listed company.

The Directors (with Christelle van der Merwe abstaining) recommend that you vote in favour of this Ordinary Resolution.

8. Resolution 6 - Authority to issue shares for cash

Under Rule 6.1 of the Company's Constitution, prior to issuing Equity Securities (meaning shares (including preference shares), stock, stock units and rights or options to subscribe for any of the foregoing) the Company is required to make an offer of Equity Securities first to Shareholders pro rata to their existing holdings. Rule 6.3 then allows the Company to resolve, by Ordinary Resolution, that the Directors are authorised to issue and allot Equity Securities for up to 15% of the Company's issued share capital for cash as if the pre-emption rights did not apply (a **Disapplication Resolution**).

It is the Company's view that it can raise capital in a cost efficient and timely manner by carrying out a private placement of its shares instead of an offer of Equity Securities to all existing Shareholders where the costs of compliance with relevant securities laws would be much greater.

Accordingly, Resolution 5 seeks Shareholder approval under Rule 6.3 of the Company's Constitution to authorise the Directors to issue up to 15% of the Company's issued share capital at the time of the Meeting, as if the pre-emption rights in Rule 6.1 of the Company's Constitution did not apply. By way of example, and using the issued share capital of the Company at the date of this Notice of Meeting, approval to issue 15% of the Company's capital pursuant to this Resolution would represent 91,836,249 shares.

The Directors will be authorised to issue Equity Securities for cash without first offering them to all Shareholders of the Company on a pro rata basis which is equal to 15% of the Company's issued share capital as at the date the resolution is approved.

Explanatory Memorandum

An authority given under this Resolution will expire at the earlier of the conclusion of the next Annual General Meeting, or the date twelve (12) months from the date of the Resolution or revocation of the authority by the Company.

For completeness, the Company notes that Resolution 6 is not authorising a specific issue of shares for the purposes of Listing Rule 7.1 and any future issue of shares will be required to be issued in accordance with the Listing Rules, including without limitation Listing Rule 7.1. The Atlantic Directors strongly support this Resolution and recommend all shareholders vote in favour.

9. Resolution 7 - Authority to issue shares for non-cash consideration purposes

Resolution 7 seeks shareholder approval for the purposes of Rule 6.2(a) of the Company's Constitution to specifically authorise the Directors to issue and allot up to a maximum of 15% of the Company's Issued Share Capital (at the time of the Meeting) to be used at the discretion of the Board as consideration to key suppliers for services rendered and / or capital expenditure (eg. project-related equity) for the period through to the Company's next Annual General Meeting, in order to assist with the preservation of the Company's treasury.

Under Rule 6.1 of the Constitution, the Company is required to make an offer of Equity Securities first to existing Shareholders pro rata to their existing holdings (the "Pre-emption Rights"). Rule 6.2(a) enables the issue of Equity Securities which are wholly paid up otherwise than in cash free of such Pre-emption Rights where this is approved by an Ordinary Resolution of the Company's Shareholders. By way of example, and using the issued share capital of the Company at the date of this Notice of Meeting, approval to issue 15% of the Company's capital pursuant to this Resolution would represent 91,836,249 shares.

For completeness, the Company notes that Resolution 7 is not authorising a specific issue of shares for the purposes of Listing Rule 7.1 and any future issue of shares will be required to be issued in accordance with the Listing Rules, including without limitation Listing Rule 7.1.

The Atlantic Directors strongly support this Resolution and recommend all shareholders vote in favour.

10. Resolution 8 – Approval of Atlantic Lithium Limited Rights Plan

10.1 Background

Prior to the date of this Notice, the Board engaged independent remuneration consultant, Godfrey Remuneration Group, to provide a framework and recommendations for a new long term incentive plan. In doing so, the Board's guiding principle was to align remuneration with Shareholders' interests and to appropriately incentivise executives and employees to create Shareholder value.

The Atlantic Lithium Limited Rights Plan (**Rights Plan**) represents a modernisation of the available equity instruments and terms, aligned with current regulations and market best-practices. If the Rights Plan is approved by Shareholders, grants under the Rights Plan will facilitate the Company providing appropriate, competitive and performance-linked remuneration to the employees of the Company.

Under the Company's current circumstances, the Directors consider that the use of Rights are a cost effective and efficient incentive for the Company as opposed to relying solely on alternative forms of incentives such as the issue of options, cash bonuses or increased remuneration. To enable the Company to secure and retain key employees who can assist the Company in achieving its objectives particularly in its current growth phase, it is necessary to provide remuneration and incentives to such personnel. The Rights Plan is designed to

Explanatory Memorandum

achieve this objective by encouraging long term employment with the Company and continued improvement in performance over time and encouraging personnel to acquire and retain an interest in the Company.

10.2 Rights Plan

A summary of the terms of the Rights Plan are set out in Schedule 1 to this Explanatory Memorandum.

10.3 Corporations Act – Termination Benefits

(a) Introduction

Under Part 2D.2 of the Corporations Act, the Company (as a listed company), its associates and any prescribed superannuation fund in connection with the Company, are prohibited from giving a person who holds a “managerial or executive office” (namely, the KMP) a benefit or entitlement in connection with their ceasing to hold an office or position of employment in the Group (**Termination Benefit**) unless Shareholders approve the benefit or some other exemption applies.

Accordingly, the Company is seeking Shareholder approval for the Termination Benefits that may be given to certain persons employed by the Group under the proposed Rights Plan when they cease to hold an office or position of employment within the Group.

(b) The Company’s approach to Termination Benefits

The Company’s policy in relation to Termination Benefits which may be given to KMP upon leaving employment with the Group, is to treat ceasing Group KMP fairly and consistently, as well as in accordance with the applicable laws and market practice. To ensure the Company is able to meet this objective, Shareholder approval is sought in respect of the Termination Benefits outlined in these Explanatory Notes. The Company considers it appropriate to obtain Shareholder approval so that the Company’s ability to discharge any obligations to ceasing Group KMP is not otherwise restricted by the termination benefits provisions of the Corporations Act.

(c) Which employees are covered by the approval?

As noted above, approval is being sought in respect of:

- (1) any current or future employees who are (or become) members of the Company’s KMP; and
- (2) any current or future employees who hold (currently or in the future) a managerial or executive office in the Group (for example a director of one of the Company’s subsidiaries),

and either hold that role at the time of their termination or were in the role within the three years prior to their termination.

(d) What is the Company seeking shareholder approval for?

The Company is seeking Shareholder approval for any potential Termination Benefits that may be provided to a member of the Group KMP as a result of the exercise of Board discretion or automatic or accelerated vesting under the Company’s Rights Plan.

Explanatory Memorandum

Approval by Shareholders does not guarantee that a member of the Group KMP will receive any Termination Benefits, but rather preserves the discretion of the Board to exercise its discretion under the Rights Plan.

(e) **Termination Benefits that require Shareholder approval and Termination Benefits that are exempt**

“Benefit” is defined broadly in the Corporations Act to include most forms of valuable consideration. Termination Benefits under the Corporations Act include a range of payments or benefits given in connection with a person ceasing to hold an office or position of employment including termination payments or other benefits such as an accelerated or automatic vesting of share-based payments at or due to retirement.

There is an exception to the prohibition on the provision of benefits where the value of the benefits do not exceed one year’s fixed pay (as calculated in accordance with the Corporations Act). In addition, there are certain benefits which are excluded from the definition of “benefit” under the Corporations Act and which do not require Shareholder approval. These include:

- (1) certain types of “deferred bonuses”;
- (2) a payment from a defined benefits superannuation scheme that was in existence when Regulation 2D.2 of the Corporations Regulations 2001 (Cth) commenced;
- (3) genuine accrued benefits that are payable;
- (4) a payment made under a requirement imposed by a law of another country;
- (5) a reasonable payment that is made:
 - (A) in accordance with a policy of the company or body that applies to all employees; and
 - (B) as a result of a genuine redundancy; and
 - (C) having regard to the length of a person’s service in an office or position;
- (6) a payment from a prescribed superannuation fund due to death or incapacity.

(f) **Summary of Potential Termination Benefits**

A summary of the potential Termination Benefits for which Shareholder approval is sought (including the various discretions that may be exercised by the Board (or its delegate, as the case may be) are set out below.

The Company is seeking Shareholder approval to maintain some flexibility for the Company to tailor executive termination arrangements having regard to the circumstances of the executive's cessation of employment and within the constraints of:

- (1) the Company's remuneration policy as described in the Remuneration Report;
- (2) the executive's employment or service agreement;
- (3) the terms of the Rights Plan; and

Explanatory Memorandum

- (4) prevailing market practice and corporate governance expectations at the time that the executive ceases employment with the Company.

Under the Rights Plan, eligible participants may be granted Performance Rights for nil consideration, which vest if certain performance hurdles are met. Relevantly, for the purposes of this Resolution 8, the Board has a general discretion under the Rights Plan to bring forward vesting of Performance Rights at the termination of an eligible participant's employment or to allow additional Rights to remain on-foot despite the employee's failure to meet service conditions by reason of the termination of employment (**Plan Benefit**).

The accelerated vesting of Performance Rights or the ability to allow Rights to remain on-foot despite the employee's failure to meet service conditions under the Rights Plan in connection with the cessation of employment of a member of the Company's KMP will constitute a Termination Benefit.

(g) **Value of Potential Termination Benefits**

The Company is unable to determine the amount and value of the termination benefits that may be provided to an executive in connection with their termination in accordance with this approval at the present time.

Key matters, events or circumstances which will, or are likely to affect the calculation of the value of any accelerated vesting of Performance Rights or allowing additional Rights to remain on-foot include:

- (1) the circumstances in which the executive ceases employment;
- (2) the executive's base salary at the time any benefits accrued and the time they cease employment;
- (3) the executive's length of service and any relevant performance periods for incentive awards that have expired at the time they cease employment;
- (4) the number of unvested Rights that the Board determines to vest, lapse or leave on foot;
- (5) the Company's share price when the value of any equity based termination entitlements are determined, and the terms of those entitlements;
- (6) any other factors which the Board considers relevant when exercising its discretion, including where appropriate its assessment of the performance of the executive up to the date of termination of employment;
- (7) the jurisdiction and location in which the executive is based at the time they cease employment and the applicable laws in that jurisdiction;
- (8) any changes in law between the date the Company enters into an employment agreement with the executive and the date they cease employment.

If shareholder approval is obtained, the value of the benefits outlined in this Resolution and Explanatory Memorandum will be disregarded when calculating the executive's termination benefits cap for the purpose of section 200F(2)(b) or section 200G(1)(c) of the Corporations Act.

Explanatory Memorandum

(h) **Approval is sought for a three year period**

If approval is obtained, it will be effective for a period of three years from the date this Resolution 8 is passed until the conclusion of the Company's 2026 Annual General Meeting (so as to align the approval with the approval of the Company's Rights Plan for the purposes of Listing Rule 7.1).

The Company will comply with the requirements of Listing Rule 10.19 in the event that an officer of the Company or any of its subsidiaries is entitled to Termination Benefits exceeding 5% of the Company's equity interests.

10.4 **Listing Rules**

(a) **Introduction**

Pursuant to Resolution 8, the Company is seeking Shareholder approval for the issue of securities under the Company's Rights Plan as an exception under Listing Rule 7.2, Exception 13(b) which would enable securities issued under the Rights Plan over the next three years to be excluded from the calculation of the number of securities issued for the purposes of Listing Rules 7.1 and 7.1A.

Subject to certain exceptions, Listing Rule 7.1 restricts a listed company from issuing or agreeing to issue Equity Securities equivalent in number to more than 15% of its ordinary securities on issue in the 12 month period immediately preceding the date of the issue or agreement (if the entity has been admitted to the official list for 12 months or more) or the period from the date the entity was admitted to the official list to the date immediately preceding the date of the issue or agreement (if the entity has been admitted to the official list for less than 12 months) without the approval of its shareholders.

As a result, any issue of securities by the Company to eligible employees under the Rights Plan would reduce the Company's 15% capacity to issue Shares under Listing Rule 7.1.

Exception 13 of Listing Rule 7.2 however, allows the Company to issue securities under the Rights Plan without the issue of such securities being counted towards the Company's 15% issue capacity under Listing Rule 7.1, where Shareholders have approved the issue of securities under the Rights Plan as an exception to Listing Rule 7.1, within three years prior to the issue of the securities. Resolution 8 is being put to Shareholders for this purpose and will allow the Company to utilise Exception 13 of Listing Rule 7.2 for three years from the date of the Resolution being passed.

(b) **Information for Shareholders**

In accordance with Exception 13 of Listing Rule 7.2, the Company advises as follows:

- (1) as this is the first time that the Shareholder approval is being sought for the adoption of the Rights Plan, no Rights have been issued under the Rights Plan;
- (2) a summary of the key terms of the Rights Plan are set out in Schedule 1;
- (3) the maximum number of Equity Securities proposed to be issued under the Rights Plan following the approval is 90,000,000. This figure broadly reflects 15% of the Company's issued capital as at the date of this Notice, which aligns with the issue capacity of 15% specified in the Company's Constitution for the making of offers in connection with employee share schemes under Part 7.12 of the Corporations Act;

Explanatory Memorandum

(4) a voting exclusion statement is included in the Notice of Meeting.

(c) **Dilutionary effect**

In the event the Company were to issue the maximum number of Equity Securities specified in section 10.4(b) above over a three-year period, the effect that the maximum number of Equity Securities for which approval is sought will have on the issued share capital of the Company if all Equity Securities are issued is as follows:

	Securities	Percentage
Ordinary shares currently on issue as at the date of this Notice¹	612,241,660	87.18%
Total amount of Rights that may be issued under the Plan	90,000,000 ²	12.82%
Total ordinary shares¹	702,241,660	100.00%

¹ This figure assumes that none of the existing options on issue in the Company has been exercised.

² This figure assumes that all Rights are issued under the Rights Plan over the three-year period for which approval is sought pursuant to this Resolution.

(d) **Further considerations**

The Company is seeking approval to issue the proposed maximum number of Equity Securities under the Rights Plan for the purposes of Listing Rule 7.1. This does not mean that the Company will issue the entire amount over the three-year period but rather that the Company believes it to be in the best interests of the Company to preserve the maximum commercial flexibility to issue Equity Securities that is afforded to it by Listing Rule 7.1, particularly given its current growth phase. Furthermore, the Company believes that it will derive a significant benefit by incentivising its senior management and key employees through the issue of Rights under the Rights Plan.

(e) **Outcome of voting for and against the Resolution**

If Resolution 8 is passed, the Company will be able to over the next three years take advantage of Exception 13 of Listing Rule 7.2 to issue Rights under the Rights Plan without the issue of such securities being counted towards the Company's 15% issue capacity under Listing Rule 7.1.

If Resolution 8 is not passed, the Company will not be able to take advantage of Exception 13 of Listing Rule 7.2, and will not be able to issue Rights under the Rights Plan without either reducing the Company's 15% issue capacity under Listing Rule 7.1 or obtaining further shareholder approval for each issue of Rights.

(f) **Directors recommendation**

The Directors (Neil Herbert, Keith Muller, Lennard Kolff Van Oosterwijk and Amanda Harsas abstaining in light of the proposed issues to them under the Rights Plan the subject of Resolutions 9 to 12) recommend Shareholders vote in favour of this resolution.

Explanatory Memorandum

The ASX Listing Rules and the Corporations Act prohibit certain persons from voting on Resolution 8. A voting exclusion statement with regard to Resolution 8 is included in the Notice.

11. Resolutions 9 to 12 – Issue of Rights to Executive Directors under the Company’s Rights Plan

11.1 Background

Resolutions 9, 10, 11 and 12 seek Shareholder approval, pursuant to ASX Listing Rule 10.14, for the offer to issue 9,298,935 Performance Rights (**Director Performance Rights**) under the Company’s Rights Plan (detailed in the Explanatory Memorandum for Resolution 8 and summarised at Schedule 1) to each of the following related parties (being executive Directors) of the Company (together, the **Proposed PR Recipients**) as set out in the table below:

Director	Role	Number of Performance Rights
Neil Herbert	Executive Chairman	3,497,843
Keith Muller	Chief Executive Officer	1,469,610
Lennard Kolff Van Oosterwijk	Head of Business Development and Chief Geologist	2,200,118
Amanda Harsas	Finance Director and Company Secretary	2,131,364

Neil Herbert, Keith Muller, Lennard Kolff Van Oosterwijk and Amanda Harsas are Related Parties within the meaning of ASX Listing Rule 19 and the Corporations Act because they are each directors of the Company.

Listing Rule 10.14 provides that a listed company must not permit a director or an associate of a director (or certain other persons) to acquire Equity Securities under an employee incentive scheme unless it obtains the approval of its shareholders.

Listing Rule 10.11 also provides that the Company must not issue Equity Securities to a Related Party or an associate of a Related Party without Shareholder approval. However, Listing Rule 10.12 (Exception 8) provides that approval under Listing Rule 10.11 is not required for an issue of Equity Securities under an employee incentive scheme made, or taken to have been made, with the approval of the issuing entity’s shareholders under Listing Rule 10.14.

Further, Listing Rule 7.2 (Exception 14) provides that where an issue of securities is approved by Shareholders for the purposes of Listing Rule 10.11 or Listing Rule 10.14, then it will be excluded from the calculation of the Company’s placement capacity under Listing Rule 7.1.

As the Director Performance Rights are proposed to be issued to the Proposed PR Recipients (each being directors) pursuant to the Company’s new Rights Plan (summarised in Schedule 1), Resolutions 9 to 12 seek Shareholder approval for the offer to issue of those Performance Rights under Listing Rule 10.14. Accordingly, the Board is not seeking Shareholder approval to the issue of the Director Performance Rights under Listing Rule 10.11 (pursuant to Exception 8 in Listing Rule 10.12) or under Listing Rule 7.1 (pursuant to Exception 14 under Listing Rule 7.2).

Explanatory Memorandum

In addition to the Listing Rules, the requirements of Chapter 2E of the Corporations Act must also be considered.

11.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit (which includes the issue of Options) to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions of Chapter 2E of the Corporations Act; or
- (b) prior Shareholder approval is obtained for the giving of the financial benefit.

A “Related Party” is defined widely in section 228 of the Corporations Act and includes, relevantly, a director (or proposed director) of a public company, any entity that controls (or is reasonably likely to control) a public company, and any entity that is controlled by a person or entity which is otherwise a Related Party, or there are reasonable grounds to believe that a person/entity is likely to become a Related Party of the public company.

A “Financial Benefit” for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the Related Party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate.

For the purposes of Chapter 2E, as noted above a director is considered to be a related party of the Company. Each of Resolutions 9 to 12, if passed, will confer financial benefits to the Proposed PR Recipients who are directors and therefore related parties of the Company.

Relevantly, there is an exception to Chapter 2E set out section 211 of the Corporations Act, which provides that shareholder approval is not required where a Financial Benefit is given to a Related Party as reasonable remuneration for the Related Party’s role as an officer or employee of the company.

Having considered the circumstances of the Company and the positions held by each of the respective Proposed PR Recipients, the Board believes that the issue of the Director Performance Rights to the Proposed PR Recipients, in lieu of cash payments, constitutes reasonable remuneration within the exception set out in section 211 of the Corporations Act. The Board believes that the Director Performance Rights are an effective remuneration tool and incentive tool, which preserves the cash reserves of the Company whilst providing valuable remuneration and incentive to each respective Proposed PR Recipients. Accordingly the Company is not seeking shareholder approval for Resolutions 9 to 12 for the purposes of Chapter 2E of the Corporations Act.

11.3 Sections 200B and 200E of the Corporations Act

The Company is seeking approval for the purposes of section 200B and section 200E of the Corporations Act for any Termination Benefits that may be given to the Proposed PR Recipients under the Rights Plan on cessation of their employment, such as the discretion of the Board to waive any vesting conditions attached to the Director Performance Rights. The Company refers Shareholders to section 10.3 of this Explanatory Memorandum regarding Plan Benefits and repeats the information contained therein in respect of the issue of the Director Performance Rights under the Rights Plan pursuant to Resolutions 9 to 12.

11.4 Overview of Director Performance Rights

The Director Performance Rights under Resolutions 9 to 12 are comprised of or represent:

Explanatory Memorandum

- (a) a grant of rights based on 75% of the Proposed PR Recipient's salary for the 2024 financial year, which will be measured against vesting conditions over a three-year period from 31 July 2023 to 31 July 2026 (**FY26 Performance Rights**);
- (b) a grant of rights equivalent to 75% of the Proposed PR Recipient's salary for the 2023 financial year, which will be measured against vesting conditions over a two-year period from 31 July 2023 to 31 July 2025 (**FY25 Performance Rights**); and
- (c) in respect of Mr Herbert, Mr Kolff van Oosterwijk and Ms Harsas, a grant of rights based on 75% of their salary for the 2023 financial year, which will be measured against vesting conditions over a one-year period from 31 July 2023 to 31 July 2024 (**FY24 Performance Rights**).

It is noted that rights issued under the Rights Plan are typically measured against performance-related vesting conditions over a three-year period (e.g. the FY26 Performance Rights). The FY25 and FY24 Performance Rights are intended as a mechanism to transition to the new Rights Plan and to appropriately incentivise and reward the Proposed PR Recipients with rights that vest in the 2024 and 2025 financial years. It is noted Mr Muller is not receiving FY24 Performance Rights, noting he was only employed by the Company during the 2023 financial year.

The number of Director Performance Rights to be offered and issued under Resolutions 9 to 12 is equivalent to the percentage of the Proposed PR Recipient's annual salary (described above) divided by the volume weighted average price (**VWAP**) for the Company's shares for the 5 trading days immediately following the release of the Company's June Quarterly Activities and Appendix 5B Cash Flow Report to the ASX on 31 July 2023. The measurement periods run from 31 July 2023 to align with this date.

The Director Performance Rights are measured against vesting conditions tied to either the Total Shareholder Return or an operational target.

Further details of the terms and conditions of the Director Performance Rights are set out in Schedule 2.

11.5 Listing Rule 10.14

\The Company is seeking Shareholder approval under Listing Rule 10.14 to offer to issue the Director Performance Rights which will also mean the issue of the Director Performance Rights is not counted towards its existing 15% issue capacity.

(a) Information required under Listing Rule 10.15

11.6 Effect of Shareholder Approval

If Resolution 9 to Resolution 12 (inclusive) are each passed, the Company will be able to proceed to offer to issue the Director Performance Rights to each of the Proposed PR Recipients.

If Resolution 9 to Resolution 12 (inclusive) are not passed, the Company will not be able to proceed to offer to issue the Director Performance Rights to each of the Proposed PR Recipients and the Remuneration Committee may then need to consider alternative remuneration arrangements for each of the Proposed PR Recipients to ensure appropriate and aligned incentive packages are in place.

11.7 Director's recommendation

The Directors (Neil Herbert, Keith Muller, Lennard Kolff Van Oosterwijk and Amanda Harsas abstaining) recommend that Shareholders vote in favour of Resolutions 9 to 12 (inclusive).

12. Resolution 13 - Increase in amount available for Non-Executive Director Remuneration

12.1 General

In order for the total aggregate annual remuneration payable to non-executive Directors of the Company to be increased, Listing Rule 10.17 of the Listing Rules and Rule 41.5 of the Company's Constitution must be complied with. The Listing Rules and the Constitution provide that the Company must not increase the amount of remuneration payable to non-executive Directors of the Company unless Shareholders approve such an increase.

Shareholder approval is sought to increase the total aggregate annual remuneration payable to non-executive Directors of the Company from \$500,000 to a maximum aggregate amongst all non-executive Directors of \$1,000,000 (being an increase of \$500,000).

Explanatory Memorandum

Details of non-executive Director remuneration for the 2023 financial year is disclosed in the Remuneration Report.

The Company is experiencing rapid and significant growth as it continues to advance its Ewoyaa Lithium Project towards production. The Company has been reviewing its current Board structure and has been considering a number of non-executive Director appointments. The Board considers that it is reasonable and appropriate at this time to seek an increase in the remuneration pool for non-executive Directors for the following reasons:

- (a) an increase of the remuneration pool will give the Company flexibility with regards to the appointment of additional directors;
- (b) due to the expected continued growth of the Company and increased responsibilities for non-executive Directors;
- (c) to enable the Company to maintain remuneration arrangements that are market-competitive, so it can attract and retain high calibre individuals as non-executive Directors;
- (d) to remunerate Directors appropriately for the expectations placed upon them by both the Company and the regulatory environment in which it operates.

This proposed level of permitted fees in the aggregate fee pool does not mean that the Company must pay the entire amount approved as fees to non-executive Directors in each year. However, the Board considers that it is reasonable and appropriate to establish this aggregate amount as this will provide the Company with the flexibility to attract appropriately qualified non-executive Directors and to act quickly if the circumstances require it.

The following securities have been issued to non-executive Directors with shareholder approval under Listing Rule 10.11 or 10.14 within the preceding three years:

Director	Details of securities issued
Neil Herbert <i>(These securities were issued prior to Neil Herbert's appointment as Executive Chairman of the Company on 22 April 2022)</i>	3,000,000 options exercisable at 12 pence, expiring 24 months from the date of issue. These options were issued on 25 June 2020 and expired on 24 June 2022.

If Resolution 13 is passed, as noted above, the total aggregate annual remuneration payable to non-executive Directors of the Company will be \$1,000,000.

If Resolution 13 is not passed, the Company will not be able to increase the total aggregate annual remuneration payable to non-executive Directors of the Company. This may make it more difficult for the Company to attract and maintain high quality Directors.

The Company believes that all relevant information concerning Resolution 13 required under Listing Rule 10.17 is included in the text, and accompanying notes, of this Resolution in the Notice of Meeting.

Explanatory Memorandum

13. Resolution 14 – Amendment to Constitution

13.1 General

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution, or a provision of its constitution by special resolution. This requires approval of 75% or more of all votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a member which is a corporation, a representative).

The Company seeks to amend its Constitution to allow for written resolutions of the Board to be passed by more than 50% of the Directors entitled to vote on the resolution (rather than all Directors as in the current Constitution). The proposed amendments will better facilitate the Board's ability to make decisions with the Directors residing in three different countries and having to balance different time zones.

A mark-up of the proposed changes to Rules 2.1, 46.9, 46.10 and 46.11 of the Constitution is set out below.

A copy of the proposed amended Constitution (and a comparison between the current Constitution and the proposed amended Constitution) is available for review by Shareholders at the Company's website (<https://www.atlanticlithium.com.au/corporate-governance>). A copy of the proposed amended Constitution can also be sent to Shareholders upon request to the Company Secretary (aharsas@atlanticlithium.com.au).

Shareholders are invited to contact the Company if they have any queries or concerns regarding the proposed amendments to the Constitution.

13.2 Proposed amendments

The Company intends to better facilitate the Board's ability to pass resolutions by amending Rules 2.1, 46.9, 46.10 and 46.11 of the Constitution in accordance with section 136(2) of the Corporations Act.

The proposed amendments will allow the Board greater efficiency and provide more flexibility in respect of the passing of resolutions, by allowing:

- (a) written resolutions to be passed by more than 50% of the Directors entitled to vote on the resolution (rather than all Directors as in the current Constitution); and
- (b) Directors to consent to such resolutions by electronic communication.

The proposed amendments to Rules 46.9, 46.10 and 46.11 of the Constitution are set out in underline below:

46.9 *A resolution in writing which is signed and dated by ~~all~~ more than 50% of the Directors (including any Alternate Director appointed by an absent Director) entitled to vote on the resolution, containing a statement that they are in favour of the resolution shall be as valid and effectual as if it had been duly passed at a meeting of Directors duly convened and constituted. Any such resolution may consist of separate copies of a document each signed by one (1) or more Directors if the wording of the resolution and statement is identical in each copy. Any document referred to in this rule may be in the form of an electronic notification.*

46.10 *A resolution pursuant to Rule 46.9 shall be deemed to have been passed on the day (according to the dates of signing) when the resolution shall have been signed by ~~all~~ the last participating Directors and any Alternate Director (as the case may be). If a signed copy of the resolution shall be returned to the Secretary undated, the Secretary shall fill in the date on which it was received*

Explanatory Memorandum

and the same shall be deemed to have been signed on that day.

46.11 *For the purposes of Rules 46.9 and 46.10:*

- (c) *an electronic facsimile or other form of visible communication issued by a Director shall be deemed to be signed and dated by such Director; and*
- (d) *a reference to all the Directors does not include a reference to a Director who, at a meeting of Directors, would not be entitled to vote on the resolution.*

13.3 Directors' Recommendation

Resolution 14 is a Special Resolution. Accordingly, at least 75% of the votes cast by Shareholders present and eligible to vote at the Meeting must vote in favour of Resolution 14 for it to be passed.

The Directors recommend that Shareholders vote in favour of Resolution 14. Any undirected proxies held by the Chairperson will be voted in favour of Resolution 14.

14. Resolution 15 – Approval to issue an additional 10% of the issued capital of the Company over a 12 month period pursuant to Listing Rule 7.1A

14.1 Introduction

Pursuant to Resolution 15, the Company is seeking Shareholder approval to issue an additional 10% of issued capital over a 12 month period pursuant to Listing Rule 7.1A. If passed, this Resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Placement Securities**) each at an issue price of at least 75% of the volume weighted average price (**VWAP**) for the Company's Equity Securities in that class (calculated over the last 15 trading days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Placement Securities are to be issued is agreed, or if the Placement Securities are not issued within ten trading days of that date, the date on which the Placement Securities are issued) (**Issue Price**).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A small and mid-cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by special resolution at the annual general meeting, are permitted to issue an additional 10% of issued capital over a 12 month period from the date of the annual general meeting (**Additional 10% Placement**). The Additional 10% Placement under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without Shareholder approval over a 12 month period pursuant to Listing Rule 7.1. The Company may issue the Placement Securities to raise funds for the Company. Funds raised from the issue of Placement Securities, if undertaken, would be applied towards acceleration of exploration and development of the Company's projects. The funds will also be used towards general working capital requirements and corporate costs

The Directors of the Company unanimously recommend that Shareholders vote in favour of Resolution 15.

Explanatory Memorandum

If approval is given for the issue of the Placement Securities then the approval will expire, on 30 November 2024 unless the Company holds its next AGM or shareholder approval is granted pursuant to Listing Rule 11.1.2 or Listing Rule 11.2 prior to that date.

As provided by Listing Rule 7.3A.2, if Resolution 15 is passed and the Company issues the Placement Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 612,241,660 Shares. The Company could issue 153,060,415 Shares under Listing Rules 7.1 and 7.1A on the date of the Meeting if Resolution 15 is passed (however, it is important to note that the exact number of Equity Securities which may be issued will be calculated in accordance with the formula contained in Listing Rule 7.1A.2 details of which are set out above). Any issue of Placement Securities will have a dilutive effect on existing shareholders.

There is a specific risk that:

- (1) the Market Price for the Company's Equity Securities may be significantly lower on the date of the issue of any Placement Securities than it is on the date of the meeting; and
- (2) the Placement Securities may be issued at a price that is at a discount to the Market Price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue or the value of the Placement Securities.

As required by Listing Rule 7.3A.4, Table 1 below shows the potential economic and voting dilution effect, in circumstances where the issued share capital has doubled and the Market Price of the shares has halved. Table 1 also shows additional scenarios in which the issued share capital has increased (by both 50% and 100%) and the Market Price of the shares has:

Explanatory Memorandum

- (1) decreased by 50%; and
- (2) increased by 100%.

Assumptions and explanations

- (1) The Market Price is \$0.475 based on the closing price of the Shares on ASX on 19 October 2023.
 - (2) The above table only shows the dilutionary effect based on the issue of the Placement Securities (assuming only Shares are issued), and not any Shares issued under the 15% under Listing Rule 7.1.
 - (3) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
 - (4) The Company issues the maximum number of Placement Securities.
 - (5) The issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A(2) as at 19 October 2023.
 - (6) The issue price of the Placement Securities used in the table is the same as the Market Price and does not take into account the discount to the Market Price (if any).
- (e) **Company's allocation policy - Listing Rule 7.3A.5**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Placement Securities. The identity of the allottees of Placement Securities will be determined on a case-by-case basis having regard to a number of factors including but not limited to the following:

Explanatory Memorandum

- (1) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which existing shareholders can participate;
- (2) the effect of the issue of the Placement Securities on the control of the Company;
- (3) the financial situation and solvency of the Company; and
- (4) advice from corporate, financial and broking advisers (if applicable).

The allottees of the Placement Securities have not been determined as at the date of this Notice but may include existing substantial Shareholders and new Shareholders who are not related parties or associates of a related party of the Company.

(f) **Previous issues under Listing Rule 7.1A.2 - Listing Rule 7.3A.6**

The Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of meeting.

14.4 Voting exclusion statement

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice of Meeting, the proposed allottees of any Placement Securities are not as yet known or identified. In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rule 7.1 and Listing Rule 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of the Placement Securities), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

14.5 Directors' recommendation

The Directors unanimously recommend that you vote in favour of this Special Resolution.

15. Voting entitlement

For the purposes of determining voting entitlements at the Meeting, shares will be taken to be held by the persons who are registered as holding the shares at 7pm (Sydney time) on Tuesday, 28 November 2023. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

Schedule 1 – Summary of the terms of the Rights Plan

Aspect	Details
Instrument	<p>The Rights Plan uses Rights which are an entitlement to the value of a Share (less any Exercise Price) which may be satisfied either in cash and/or in Shares (at the Board's discretion), unless otherwise specified in an Invitation.</p> <p>The Rights Plan allows for three classes of Rights which may be appropriate forms of remuneration under various circumstances, being;</p> <ul style="list-style-type: none"> (a) Performance Rights which vest when performance conditions have been satisfied and will generally be used for the purpose of granting long term variable remuneration to executives; (b) Service Rights which vest after completion of a period of service and which will generally be used as a retention incentive below the senior executive level if and when appropriate, or as part of fixed remuneration; and (c) Restricted Rights which are vested at grant but which may have Exercise Restrictions and or Specified Disposal Restrictions that extend to the Shares that result from the exercise of Rights (Restricted Shares), and will generally be used to defer earned remuneration from time to time e.g. to defer short term variable remuneration. <p>When an Exercise Price greater than nil is specified in an Invitation the Rights are Share Appreciation Rights (SARs) that only produce value when the Share Price exceeds the Exercise Price at the time of Exercise i.e. equivalent to an option. They may be Performance SARs, Service SARs or Restricted SARs under the foregoing classes of Rights.</p>
Purpose	<p>The purposes of the Rights Plan are to:</p> <ul style="list-style-type: none"> (a) enable the Company to provide a component of variable remuneration that is performance focussed and linked to long-term value creation for Shareholders; (b) create alignment between the interests of Participants and Shareholders; (c) enable the Company to compete effectively for the calibre of talent required for it to be successful; and (d) ensure that Participants have commonly shared goals.
Terms and Conditions	<p>The Board has the discretion to set the terms and conditions on which it will offer Rights under the Rights Plan, including the terms of Invitations.</p> <p>Performance Rights and Service Rights (including when they are Share Appreciation Rights) are subject to Vesting Conditions. In the case of Performance Rights (including Share Appreciation Rights) the Vesting Conditions</p>

Explanatory Memorandum

	<p>are intended to be challenging and linked to indicators of sustainable value creation for Shareholders.</p> <p>The terms and conditions of the Rights Plan include those aspects legally required as well as terms addressing exceptional circumstances, such as a de-listing, a major return of capital to Shareholders, including the treatment of Rights and Restricted Shares on termination of employment.</p>
Variation of Terms and Conditions	To the extent permitted by the ASX Listing Rules and the Corporations Act, the Board retains the discretion to vary or amend the terms and conditions of the Rights Plan.
Eligibility	Eligible Persons selected by the Board will be invited to participate in the Rights Plan. Eligible Persons include a full time or part-time employee, a casual employee of the Group or a contractor to the Group or a person who will prospectively fill one of the foregoing roles, including executive and non-executive directors.
Invitations	The Rights Plan will operate through a series of Invitations. The Board will in its absolute discretion determine those Eligible Persons who will receive Invitations, and the procedure for making invitations (including the terms and content of any offer or invitation or acceptance procedure) in accordance with the Rules.
Term	Each Invitation will specify the Term of Rights. The Term is the period between the date of grant of a Right and the date on which it will lapse if not earlier exercised, which will be the 15th anniversary of the date of grant unless otherwise determined by the Board and specified in an Invitation.
Number of Rights	The number of Rights specified in an Invitation will be at the discretion of the Board. It is intended that the number of Rights to be granted will be determined annually with regard to the Participant's fixed remuneration, an appropriate volume weighted average price (VWAP), relevant market practices and the relevant policies of the Company regarding remuneration, such that total remuneration is appropriate in both quantum and structure.
Measurement Period	<p>The Measurement Period is the period over which vesting conditions are assessed and may be determined by the Board as part of each Invitation.</p> <p>The Measurement Period applicable to each Tranche of Rights will be three years unless otherwise specified in the Invitation. The Measurement Periods for Rights will relate to periods during which performance conditions must be satisfied for them to vest.</p> <p>The Measurement Period applicable to each Tranche of Service Rights will be specified in the Invitation. The Measurement Periods for Service Rights will relate to periods during which service conditions must be satisfied for them to vest.</p>
Vesting Conditions	<p>Vesting Conditions are to be determined by the Board, and if applicable, must be specified in the Invitation, along with the relationship between various potential levels of performance and levels of vesting that may occur.</p> <p>Vesting Conditions may relate to:</p>

Explanatory Memorandum

	<ul style="list-style-type: none"> (a) performance of the Company or an aspect of the Company's operations or the performance of the Participant; or (b) continued service of the Participant with the Group; or (c) any combination of the foregoing determined by the Board for each Tranche.
Gates	The Board may in its absolute discretion apply one or more Gates to Tranches of Rights as a condition for vesting. If a Gate is to apply to a Tranche, it must be specified in the Invitation. A Gate is a condition that must be met or exceeded before the Vesting Conditions attached to a Tranche can be assessed for vesting purposes.
Modifiers	The Board may in its absolute discretion apply one or more Modifiers to Tranches of Rights as a condition for vesting. If a Modifier is to apply to a Tranche, it must be specified in the Invitation. A Modifier adjusts the number of Rights vesting from a Tranche, by reference to a specified scale of outcomes separate from the Vesting Condition.
Cost of Rights	No amount is payable by Participants for Rights unless otherwise determined by the Board. Rights are intended to form part of the annual remuneration package appropriate to each Participant.
Application for Rights	The form of Application and the Application Period shall be determined by the Board in its discretion from time to time. In submitting an Application, the Eligible Person will be agreeing to be bound by these Rules and the terms of the Invitation.
Vesting of Performance and Service Rights	<p>Following the end of the Measurement Period, the Board will determine for each Tranche of Performance and/or Service Rights to which the Measurement Period applies, and which have not previously lapsed or vested, the extent to which it has vested, if at all, and notify Participants in a Vesting Notice.</p> <p>Prior to the end of a Measurement Period the Board may determine that some or all of the Performance and Service Rights held by a Participant will vest or lapse. When such a determination is made the Board will notify Participants in a Vesting Notice. When Rights vest under this Rule the Board may in its absolute discretion determine that the Exercise Restriction Period applicable to the Rights that vest is lifted.</p>
Board discretion regarding vesting of Performance and Service Rights	<p>The Board retains discretion to increase or decrease, including to nil, the extent of vesting in relation to each Tranche of Performance Rights or Service Rights if it forms the view that it is appropriate to do so given the circumstances that prevailed during the Measurement Period. In exercising this discretion, the Board shall take into account, amongst other factors it considers relevant, the experience of Shareholders over the relevant Measurement Period.</p> <p>Before exercising its discretion under this Rule, the Board may seek advice from an independent advisor as to whether the discretion should be exercised and if so then the alternative extent of vesting that should be considered by the Board.</p>
Lapsing of Rights	Rights will lapse automatically on the earlier of:

Explanatory Memorandum

	<p>(a) for unvested Rights, when there is no opportunity for them to vest at a later date; or</p> <p>(b) the end of the Term of the Right.</p>
Exercise Restriction Period	<p>All Rights are subject to a minimum Exercise Restriction Period of 90 days following the Grant Date.</p> <p>The Board may determine that a longer Exercise Restriction Period will apply to a grant of Rights and if so, it must be specified in the relevant Invitation.</p>
Exercise of Vested Rights	<p>Vested Rights may be exercised at any time between the latter to occur of the Vesting Date or the elapsing of the Exercise Restriction Period and the end of the Term applicable to such Rights, by the Participant submitting an Exercise Notice.</p> <p>Unless an Invitation contains a Settlement Restriction, on exercise of Vested Rights the Board will determine in its absolute discretion whether to settle the Exercised Rights Value in whole Shares (including Restricted Shares) with any residual being forfeited, a cash payment to the Participant or a combination of whole Shares and a cash payment to the Participant.</p> <p>To the extent that the Exercised Rights Value is to be delivered in Shares, the Board will arrange for such Shares to be obtained and subsequently transferred to Participants or held by a trustee for their benefit. The Company will arrange such Shares to be quoted on the ASX.</p> <p>Any portion of the value of the Exercised Rights Value that is to be delivered in the form of cash will be paid through payroll with PAYG tax being deducted (as well as any other deductions that may be applicable or required by law).</p>
Exercise Restrictions	<p>An Invitation may specify a period of Exercise Restrictions during which Rights may not be exercised, even if vested.</p>
Disposal Restrictions	<p>Rights may not be disposed of or otherwise dealt with at any time, except by force of law. Rights may be exercised once they vest and the Exercise Restriction Period has elapsed or been waived.</p> <p>Shares may not be sold or disposed of in any way until their sale would not breach:</p> <p>(a) the Company's share trading policy; or</p> <p>(b) Division 3 of Part 7.10 of the Corporations Act, to do with insider trading.</p> <p>If Shares subject to disposal restrictions are held by the Participant then the Company will impose a CHES holding lock to ensure that the disposal restrictions are complied with, unless otherwise determined by the Board.</p>
Dividend Equivalents	<p>Unless otherwise specified in the Invitation, at the time a dividend is paid by the Company in respect of a Share, Participants who are employees of the Group shall be entitled to a Dividend Equivalent payment in respect of vested Rights.</p>

Explanatory Memorandum

Disposal and Exercise Restriction Release at Taxing Point	<p>In the event that a taxing point arises in relation to Restricted Rights or Restricted Shares and the Exercise Restrictions or Disposal Restrictions have not elapsed then they will cease to apply to 50% of the taxable Rights and Shares. This ensures that unreasonable tax outcomes are avoided.</p>
Fraud and Defalcation	<p>In the event that the Board forms the opinion that a Participant has committed an act of fraud or defalcation, all unvested Rights and Vested Rights subject to an Exercise Restriction Period held by that Participant are forfeited and lapse automatically.</p>
Termination of Employment	<p>In the event of the termination of employment of a Participant for cause, as determined by the Board, all unvested Rights and Vested Rights subject to an Exercise Restriction Period will be forfeited by that Participant unless otherwise determined by the Board.</p> <p>Generally, Performance Rights held at the date of a cessation of employment in respect of which the first year of the Measurement Period has not been completed will be forfeited pro-rata in the percentage that the remainder of the year bears upon the full year, unless otherwise determined by the Board.</p> <p>Where a Participant has been employed by the Company for less than six months at the commencement of the Measurement Period all rights will lapse on the cessation of employment during the first year of the Measurement Period.</p> <p>Performance Rights that do not lapse at cessation of employment will continue to be held by Participants with a view to testing for vesting at the end of the Measurement Period. The Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by the Group.</p> <p>If a Participant ceases to be an employee of the Group then Service Rights will be dealt with as specified in the relevant Invitation. In respect of Service Rights that are not forfeited upon cessation of employment, the Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by the Group.</p>
Delisting	<p>In the event the Board determines that the Company will be subject to a delisting, the Vesting Conditions specified in an Invitation for Rights will cease to apply and:</p> <ul style="list-style-type: none"> (a) Rights constructed as Share Appreciation Rights will vest 100% unless otherwise determined by the Board; (b) unvested Rights subject to a nil Exercise Price will vest in accordance with the application of the following formula to each unvested Tranche as at a date determined by the Board (Effective

Explanatory Memorandum

	<p>Date), noting that negative results will be taken to be nil and vesting cannot exceed 100%:</p> $\text{Number of Rights in Tranche to Vest} = \text{Unvested Rights in Tranche} \times \frac{\% \text{ of First Year of Measurement Period Elapsed}}{\frac{(\text{Share Price at the Effective Date} - \text{Share price at Measurement Period Commencement Date})}{\text{Share price at Measurement Period Commencement Date}}}$ <p>(c) any remaining unvested Rights will vest to the extent, if any, determined by the Board having regard to performance over the Measurement Period prior to the Effective Date;</p> <p>(d) any unvested Rights that remain following (b) and (c) will lapse, unless the Board determines that Participants may continue to hold unvested Rights following the Effective Date;</p> <p>(e) some or all unvested Service Rights may vest to the extent determined by the Board in its discretion, having regard to the circumstances that gave rise to the grant of Service Rights and any remainder will lapse immediately;</p> <p>(f) any unexercised Rights held by a Participant that are subject to an Exercise Restriction Period will cease to be so restricted on the date that the Board determines in its sole discretion; and</p> <p>(g) any Disposal Restriction Period will be lifted, including the removal of any Company initiated CHES holding lock.</p>
<p>Change in Control</p>	<p>In the event the Board determines that the Company will be imminently become the subject of a Change in Control without delisting, the Board may make adjustments to:</p> <p>(a) Vesting Conditions,</p> <p>(b) Measurement Period,</p> <p>(c) Exercise Restriction Period,</p> <p>(d) Disposal Restriction Period,</p> <p>(e) Exercise Price, and</p> <p>(f) Automatic exercise of Rights,</p> <p>in respect of any Rights previously issued under these Rules and in accordance with the ASX Listing Rules, as necessary to ensure that the plan will operate as intended following the Change in Control.</p>

Explanatory Memorandum

<p>Major Return of Capital to Shareholders or Demerger</p>	<p>In the event that the Board forms the view that a major part of the Company's assets or operations will imminently cease to be owned by the Group due to an intention to sell or separately list those assets or operations, or in the event of a major return of capital to Shareholders, the Board will determine the treatment of all vested and unvested Rights and Restricted Shares held by Participants including but not limited to vesting, lapsing and removal of the Exercise Restriction Period and Disposal Restriction Period, and the automatic exercise of Vested Rights on a specific date.</p>
<p>Board Discretion to Prevent Inappropriate Benefits, Malus and Clawback</p>	<p>The Board has sole discretion to determine that some or all Rights held by a Participant that are unvested Rights or Vested Rights subject to an Exercise Restriction Period, will lapse on a specified date if allowing the Rights to be retained or exercised by the Participant would, in the opinion of the Board, result in an inappropriate benefit to the Participant. Such circumstances include but are not limited to:</p> <ul style="list-style-type: none"> (a) if the Board forms the view that a Participant has breached accepted codes of conduct i.e. misconduct has been identified; (b) if a Participant engages in any activities or communications that, in the opinion of the Board, may cause harm to the operations or reputation of the Company or the Board, including bringing the Company into disrepute; (c) if the Board determines that a Participant or Participants took actions that caused harm or are expected to cause harm to the Company's stakeholders; (d) if the Board forms the view that a Participant or Participants have taken excessive risks or have contributed to or may benefit from unacceptable cultures within the Company; (e) if the Board forms the view that Participants have exposed employees, the broader community or environment to excessive risks, including risks to health and safety; (f) if a Participant becomes the employee of a competitor or provides services to a competitor, either directly or indirectly, as determined by the Board and unless otherwise determined by the Board; (g) if there has been a material misstatement in the Company's financial reports, which once resolved, indicates that a larger number of Rights previously vested than should have, in light of the corrected information; and (h) if the Participant is terminated for cause.
<p>Bonus Issues, Rights Issues and Capital Reorganisation</p>	<p>In cases of bonus share issues by the Company the number of Rights held by a Participant shall be increased by the same number as the number of bonus shares that would have been received by the Participants had the Rights been fully paid ordinary shares in the Company, except in the case that the bonus share issue is in lieu of a dividend payment, in which case no adjustment will apply.</p>

Explanatory Memorandum

	<p>In the case of general rights issues to Shareholders there will be no adjustment to the Rights.</p> <p>In the case of an issue of rights other than to Shareholders there will be no adjustment to the Rights.</p> <p>In the case of other capital reconstructions the Board may make such adjustments to the Rights as it considers appropriate with a view to ensuring that holders of Rights are neither advantaged nor disadvantaged.</p>
Quotation	Rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the Rights Plan, in accordance with the ASX Listing Rules.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
